# REPORT.

THE Committee of the Chirk and District Cottage Hospital presents to the Board and Subscribers its Fifth Annual Report and Statement of Accounts for the year ending 31st December, 1926.

The Committee wish to tender their very best thanks for Annual Subscriptions, Donations, and Collections received, also all gifts sent to the Hospital.

The number of In-Patients during the year was 277, with an average stay of 24.5 days. Below is a survey of the work done at the Hospital.

## *In-Patients—*

Operations performed	...	...	110
X-Rays and Radiographs taken	...	...	158
Plasters put on	...	...	20
Maternity Cases	...	...	28
Accidents	...	...	62
Massage	...	...	406
Electrical Treatment...	...	...	94
Radiant Heat	...	...	24
Violet Rays	...	...	16

## *Out-Patients.*

The number of casualty patients treated at the Hospital as out-door patients were 1,316, with a total number of attendances of 3,010.

Operations performed	...	...	66
Massage	...	...	1385
Electrical Treatment	...	...	593

The average cost of food per person for Patients and Staff has been 1s. 2½d. per day, this is without taking into account the value of gifts.

The Committee would like to record its grateful appreciation of the continued support of the industrial employees in the Hospital area. The total amount received from this source was £466 9s. 6d., which clearly shows that the Hospital maintains its hold of the confidence of the workers in the district.

The best thanks of the Committee are due to the Medical Officers, who have so generously given their services gratuitously, and also to the Matron and Staff for the unfailing care and attention bestowed on the patients. The Committee would also like to take this opportunity of recording their grateful appreciation to Mrs. Bower, for the valuable work done for the Hospital gratuitously, in the form of all Massage and Electrical Treatment.

The accounts of the year are particularly interesting, and we cordially invite every subscriber to consider these. The accounts show a surplus of £67 19s. 2d. on the Income and Expenditure, but a large amount will have to be provided shortly for various urgent necessities, to bring our equipment up to date.

A list of subscribers is given herewith and the Committee will be pleased to add new subscribers to their list. They again draw the attention of all insured persons to the benefits received for the sum of 10s. per year; it is still felt that many insured persons in the area have not carefully considered this matter, and the Committee trust that many more names will be added in 1927. Particulars can be obtained from the General Secretary, The Hospital, Chirk.

The Annual Fancy Dress Ball again proved a great success. It is with the greatest pleasure that the Committee record their keen appreciation of this help, and take this opportunity of thanking all who in any way assisted, especially the Joint Secretaries, Mrs. G. E. James and Miss Edmondson, for the splendid result of their work.

The Pound Day again proved satisfactory. The following were the receipts:—Cash £22 13s. 2d., Provisions 1926 lbs., Eggs 2712, Sacks of Potatoes 7, Leg of Lamb, 2 dozen Clothes Pegs, Corn, Vegetables and Books. The Committee wish to gratefully acknowledge the very important help given in this way. They also wish to place on record their indebtedness to the Ladies' Committee for the splendid help received, in repairs to household linen, etc., during the year.

A report of the workings of the Linen Guild, also a Balance Sheet, will be found later in the Report Book, and all interested are invited to peruse this report. The Committee wish to record their thanks for the valuable help given by all those associated with the Guild.

The Annual Tennis Tournaments again proved a great success, £52 17s. 4d. being handed over to the Hospital. Great credit is due to all who in any way assisted, especially to the Hon. Secretary, Miss B. Edmondson. The Committee wish to thank all concerned who in any way helped to make the tournament such a big success, also to acknowledge the following donations:—

The Committee would like to record its grateful appreciation for the amount received from Entertainments, Fancy Dress Football Match £58 8s. 3d., Chirk Dramatic Society £27 13s. 5d., Vron Concert £11 10s. 7d. Great praise is due to the promoters and all concerned in the success of these entertainments. Attention is drawn to all friends who wish to raise funds for the Hospital by collections, entertainments, etc., that before anything is done a written application should be sent to the General Secretary for permission to promote the effort.

## RULES AND REGULATIONS.

The Guild is formed for the purpose of supplying garments, linen, pillows, and other comforts and necessities for the use of the patients, and to lessen the expenses of the Hospital.

2.—All SUBSCRIPTIONS to be sent to the Hon. Treasurer, Mrs. Salt, by December 1st.

3.—Vice-Presidents to be responsible for their own Hon. Vice-Presidents and Members.

4.—At the discretion of their Vice-Presidents. members to be allowed to give not less than 1s. 6d. in lieu of linen, plus the usual 1s. fee.

5.—HON. VICE-PRESIDENTS to give not less than £1 1s. 0d. annually, their subscription to be sent to the Hon. Treasurer, Mrs. Salt.

### MEMBERS.

6.—MEMBERS to give not less than 1s. and two articles annually. Articles to be sent with subscriptions to their Vice-President.

7.—HON. MEMBERS to give not less than 5s. annually. Subscriptions to be sent to the Hon. Treasurer.

In addition to the many efforts made in the year, mention must be made of the Ladies' Linen League, which was formed in July, 1925, by Miss Muriel Martin and Mrs. Squires. The League has for its main objects the provision of household linen and garments for the patients, and will when fully developed, supply a long felt want, as it can very materially assist the Hospital by reducing the expenditure on the bedding and linen. An earnest appeal is made to all ladies in the area to join the League. Rules and Regulations and a list of special requirements will be found later in the Report. Owing to the uncertain condition of the coal trade during the year, the meetings and teas promised in last year's Report, in connection with the Linen Guild to be held in the Summer and Autumn of 1926 had to be postponed, the Committee hope to be able to hold a meeting during the Summer (date to be fixed later) when a speaker will explain more fully the aims and object of the Guild. At the end of 1926 it was decided to hold the usual collection of subscriptions and linen for those who felt able to give. This collection proved very satisfactory, considering the circumstances; three new districts were started, and a great many new members joined the Guild.

The Linen Guild suffered a great loss in the death of Mrs. Bailey, who was responsible for one of the districts.

Mrs. Squire's departure has also been a great loss, although she is still a member of the Guild, and sent some gifts of linen at the end of the year. Mrs. Swallow, of Chirk Castle, has kindly taken over Mrs. Bailey's district. Miss Jones, of Bronygarth, has been obliged to give up her district. Mrs. Hudson, Brookside, Bronygarth, has very kindly consented to become a member, and also promised to help with the Bronygarth District.
